**Traffic Advisory: Angeleno Avenue Improvement Project**

*Resurfacing to impact area between Glenoaks Boulevard and First Street*

**Who:** The City of Burbank Public Works Department

**What:** Street & Sidewalk Improvements

**Where:** Angeleno Avenue from Glenoaks Boulevard to First Street

**When:** From January until March 2014.

**BURBANK, Calif. (January 9, 2014)** -- The City of Burbank Public Works Department advises that a street improvement project may affect traffic on Angeleno Avenue from Glenoaks Boulevard to First Street until early March, 2014.

On Friday, January 10, 2014, crews will begin concrete repairs as needed to adjacent driveways, sidewalks, curbs, in addition to modifying pedestrian ramps and street corners to comply with the American with Disabilities Act. The project also includes traffic signal improvements and street re-striping to create new bike lanes.

During the construction phase, parking will be restricted at various times for short periods. However, the Courthouse parking structure will be accessible throughout the project and will remain operational during working hours.

For more information, please contact the project manager, Anthony Roman at (818) 238-3945.
